7. Entries are not eligible to be drawn until activated. Players must activate their entries starting at 60 minutes before each scheduled drawing time.
8. Activate by performing any carded activity: insert Sun Club Membership Card at a gaming machine, have card swiped by at a live table game, or insert card at any promotional kiosk.
9. Players who are inactive for sixty (60) or more consecutive minutes after activation will become inactive. To reactivate, perform any carded activity before the next drawing's digital barrel close.
10. The digital drawing barrel closes two (2) minutes prior to each scheduled drawing time. No entries can be added or activated after barrel-close for that drawing. Spokane Tribe Resort & Casino is not responsible for players who fail to activate or reactivate in time.

Drawing Procedure

11. Two (2) winners will be drawn every thirty (30) minutes between 5PM and 8PM on drawing dates. Fourteen (14) winners total. A minimum of two Marketing Representatives must be present at the drawing table for each drawing.

12. Winners are announced over the overhead PA system and displayed on property screens. Each announcement is made a minimum of twice.
13. Each winner has five (5) minutes from the first PA announcement to present at the promotional table with their Sun Club Membership Card and valid government-issued photo ID. Name on ID must match the Sun Club account.
14. Winners must be validated before selecting prize.

Prize Selection

15. Each verified winner will select one (1) location on the Punch Board to punch from the prize display. Twenty (20) prize items will be available on the Punch Board at the start of each drawing event. Once a prize location has been selected, it will be removed from the remaining available prize locations for that drawing. All Punch Board selections are final and may not be changed or reselected. See Section 2 for prize descriptions and corresponding cash values.
16. After revealing the cash prize value from the Punch Board, the winner will spin the Wicked Wheel to determine their multiplier. The cash prize and multiplier will then be combined to determine the final prize amount. For example, if a winner reveals a \$400 cash prize and lands on a 4× multiplier, the final prize awarded will be \$1,600. All Wicked Wheel spin results are final and may not be re-spun or altered. See Section 3 for prize descriptions and corresponding cash values.
17. The prize amount is revealed and announced by staff.
18. Selection is final. Once a winner touches, lifts, or otherwise identifies a prize item, that item is their selection. No exchanges or substitutions are permitted after a selection is made.
19. Prizes are paid out at the Cage. Marketing staff will provide each winner with a payout slip.

Disqualification

20. A winner is disqualified and a new name is drawn immediately if: the winner does not present at the promotional table within five (5) minutes of announcement; cannot produce their Sun Club Membership Card; cannot produce a valid matching photo ID; is on any applicable exclusion list; is an ineligible employee or family member; or declines the prize.
21. Disqualification removes the player from all remaining drawings on that drawing date only. A new name is drawn from the same digital barrel. The replacement winner has a fresh five (5) minute claim window.
22. New names will be drawn until a valid winner presents and claims.

Backup Drawing

23. In the event of an Everi Power Kiosk System failure in which the digital drawing cannot be completed, the remaining drawing sessions for that night will be conducted as a Hot Seat drawing via the CMP player tracking system.
24. A Hot Seat drawing randomly selects from Sun Club accounts actively inserted in gaming machines on the casino floor at the time of the drawing as determined by CMP. The drawn player must be actively playing at their machine when staff draw for a winner.
25. Any system failure and transition to Hot Seats must be documented by the Marketing Manager or Manager on Duty (MOD) and reported to the Tribal Gaming Agency.

Grand Prize Drawing

26. At 8:30PM on Friday, October 30, ten (10) winners will be drawn for the grand prize drawing finale. All previous winners and current drawing entry holders will be included in the final grand prize drawing. In the order they are drawn, winners will select an LED platform to stand on. Once all platforms have been selected, the platforms will light up to reveal the winners' prizes. Nine (9) will award cash prizes, and one (1) will award the final grand prize item of October. There will be no prize substitutions for the final grand prize. Please see the Prizes section for a full list of all grand prizes.
27. In the event of a malfunction, Marketing staff will utilize a TGA-approved alternative prize piece. Nine (9) of the alternative prize pieces will award cash prizes, and one (1) will award the grand prize for each qualified Friday.
